Meet An Sheng, a seasoned art educator and painter with a flair for the versatile mediums of oil, acrylic, and gouache. An's passion for contemporary art and a keen interest in the Kitsch movement define their artistic journey. Currently, An's focus lies in the exploration of themes surrounding climate change and the profound recognition of self-identity. With an artistic lens firmly rooted in the present, An Sheng weaves a narrative that captivates and challenges perceptions within the dynamic realm of modern art.
